

good2goTM
CLEVER CAR PARKS

www.parkgood2go.com

good2go is a ticketless
system that makes
parking easy

3 easy steps to hassle-free parking

1

Register at
parkgood2go.com

Set up your
payment details

2

3

You're **good 2 go!**

Your number plate will be recognised by the cameras
and payment for parking will be taken automatically

Drive in, drive out and don't
worry about payment again →

The smarter way to pay

Simply register your number plate and payment details in our secure portal then don't worry about payment again.

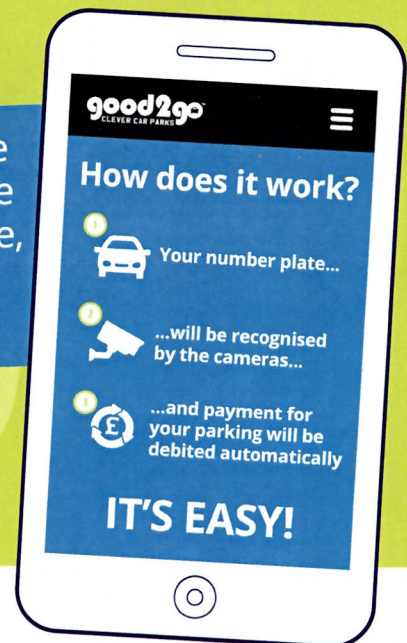

- ⊖ No need to waste time looking for change
- ⊖ No need to enter payment details every time you park
- ⊖ No need to enter your number plate or location details every time
- ⊖ No need to guess how long you'll stay

➤ **In fact, after you've registered, there's no need to do anything at all**

Register once and next time you park here, it's all taken care of.
